Welcome to Wakefield School's Summer Camp program.

We look forward to having your child join us for camp this summer.

Summer camps are open to ages –
Rising 1st - Rising 12th grades.

To register

- Go to www.wakefieldschool.org/summer
- Click on the red “Register” button
- First time visitors will need to create an account by entering information in the “New User Sign Up” section
- Returning users can log back into an account at any time. Simply enter your username and password to
 - view your child's registration information
 - print out a copy of your invoice
 - add additional camps.

Once you register your child, you can start signing up for camps. Camps are listed by week. You will only see the camps that your child is eligible for based on rising academic grade for fall 2017.

Wakefield School is located in The Plains, Virginia, on a beautiful rural campus. While we are out in the country, we are not far away and we are definitely worth the drive.

- 10 minutes -- From the I-66 exit in Haymarket (#40)
- 15 minutes – From the 1-66 exit in Gainesville (#43)
- 18 minutes – From the I-66 exit in Manassas (#47)

- 14 minutes – From downtown Middleburg
- 15 minutes – From downtown Warrenton
- 44 minutes – From downtown Leesburg

Wakefield's summer camps are staffed by skilled, supportive, and creative teachers, coaches, and counselors who help our students *to seek the challenge, make a difference, and live extraordinary lives...each in his or her own way.*

Special Note

Please Note:

When you go on-line to www.wakefieldschool.org/summer, you will see the red “register” button. Please click on the button to go to our registration site.

The online site is a little particular in how information is entered and what camps you can see. This is a design feature that we cannot change. So, you will need to register your child first before you can see the online catalog. Once your child is registered, you will only be able to see the camps that match your child’s registration information – i.e. rising grade for fall 2017 and, for one of Joe Harrington’s basketball camps, only the boy’s or girl’s camp.

Thank you for your patience with our registration site – we are limited to some extent by the design of the program and there are somethings we cannot customize as we would like.

Please contact Jennifer Austell jaustell@wakefieldschool.org with any questions or concerns.

Partner Camps

Beverly Equestrian Center

The Plains, Virginia

Beverly's Equestrian Center was designed and built to provide excellent training facilities and professional-level horse care together with consistent client support and training for the busy rider. Although initially focused on eventing, Beverly now supports a multiple of disciplines, including dressage, showjumping, foxhunting and polo. In addition to its passion for horsemanship and horse sports, Beverly is committed to preserving open land and maintaining the unique character of Northern Piedmont. Accordingly, Beverly Equestrian (through its owners) has placed its farm in a perpetual conservation easement with a donation to the Land Trust of Virginia. Beverly Equestrian's excellent training facilities allow riders the pleasure of riding in a large and well-lit 100 x 200 foot indoor arena, against the backdrop of the scenic countryside of The Plains, Virginia. The safely-enclosed arena features state-of-the-art dust-free footing.

Drobots

National Locations

Drobots Company was originally founded by a small group of parents, educators, visionaries and do-it-yourself engineers. The mission was and still is to inspire students to reduce time in front of a computer screen and instead utilize drone technology in a setting that promotes collaborative project-based learning in a positive educational environment. Hence, the company trademark slogan, **Where Technology Meets Fresh Air™**. The primary goal of any Drobots Company program is to mentor participants on how to become lifelong learners and instill a strong sense of curiosity, confidence and teamwork. Due to the exponential growth of the drone industry, kids and teens may now explore, learn and evolve along with the applications of today and the discoveries of tomorrow. Drobots fosters this new technological landscape with a unique curriculum and well-trained positively motivated instructors. At Drobots we create flexible experiences that shift students between the excitement and hands-on activities of our indoor activities and the freedom and exploration of the outdoors. Participants utilize imagination, hand-eye coordination and STEM applications to conquer challenges and missions – all in a team-oriented environment. Under the umbrella of a friendly competitive and gamified teaching and learning methodology, participants collaborate in a team setting to deconstruct challenges and then solve them. The core foundation of our company and the programming we work diligently to develop is built upon creativity, exploration, technology and fun. Our commitment and passion is derived from the unlimited positive applications of innovative technology. Throughout all of our programs, students thrive under the supervision of an adult-led staff committed to the development of the individual and team. Safety is our #1 priority and our rigorous hiring standards attract the best instructors in the country. At Drobots Company we understand that instructors with years of experience working with kids and teens is the key difference between a *good* experience and a **GREAT** experience. Our family of instructors embodies the passion and creativity that we strive to inspire in every participant.

Verdun Adventure Bound

Rixeyville, Virginia

Verdun Adventure Bound (VAB) is a nonprofit dedicated to helping people to pursue one's "True Self" and "True Significance". VAB is committed to providing an outdoor educational experience that enhances the ability of participants to become balanced, ethical and responsible members of the world we share. This is achieved through learning from the environment, overcoming obstacles, and interacting with fellow human beings.

Pre-Season **June 12 – June 16**

9:00 am – 4:00 pm

Coach Joe Harrington Basketball Camp

Instructor: Joe Harrington and Tee Summers

Rising 2 – Rising 11

Fee: \$175

Location: Wakefield School, Upper School Gym

Time: 9:00 am – 4:00 pm

Camp Description: Our co-ed camp provides a fun and competitive instructional environment for learning the game of basketball. All instruction is directed by Wakefield's Varsity Basketball coach, Joe Harrington, and Athletic Director, Tee Summers. Campers will be divided into groups based on age and skill and each group will have the opportunity to work with both of Wakefield's talented coaches. One week of basketball camp will provide your camper with 30 hours of on-court training. Our camp is about stressing the fundamentals of the game and reinforcing them during camp games and contests. We believe in the untapped potential of every camper to become a great player. Extensive programming keeps the players moving and their skills developing. Each camper will receive a t-shirt. Students should wear gym shoes and bring a water bottle, lunch and 2 healthy snacks to camp each day.

For more information go to: coachjoharrington.com.

Instructor Bios:

- Coach Joe Harrington coaches the boy's varsity basketball team at Wakefield School. His dedication to teaching students is seen each day on-campus in the relationships he's developed with his players and with all the students, from JK - 12th grade. Coach Harrington comes to Wakefield with an impressive resume. He last served as the Director of Men's Basketball Student Services at the University of Maryland. Before that he served as the head coach at Hofstra University, George Mason University, California State University, Long Beach, and the University of Colorado. He was an assistant coach with the Toronto Raptors in the National Basketball Association. The Boston Celtics selected Harrington in the 1967 NBA Draft.
- Coach Tee Summers was named the Delaney Athletic Conference's Coach of the Year in 2015 -- a well deserved honor. Coach Summers was promoted in July 2016, to Athletic Director at Wakefield School after a number of winning seasons as the varsity boys' basketball coach. Coach Summers works with all age groups on campus, from JK - 12th grade, and has greatly enhanced Wakefield's athletic program. Both Coach Harrington and Coach Summers will work with the basketball campers this summer.

Week 4

July 17 – July 21

9:00 am – 12:00 pm

Website Creation & Design

Instructor: David Redabaugh

Rising 5– Rising 9

Fee: \$225

Location: Wakefield School

Time: 9:00 am – 12:00 pm

Camp Description: Learn the basics of website creation and design. Campers will learn how to create and design a personal family website that is able to be published and campers will be taught the basic skills necessary to maintain their own website. The following will be the topics covered and taught: (1) Anatomy of a website, (2) The language of website development, (3) Domain names - how to choose them and their function, (4) Website troubleshooting tools, (5) Using the internet to prepare for creating a website, (6) The importance of responsive websites and how to create websites that are responsive. Included in the camp fee is a payment for a personal website through WordPress and domain name and a hosting cost. It can be renewed in future years. Campers will own their own domain name and have the website available on the internet with a yearlong subscription. The websites will remain private to each camper and will not be shared or published with or by Wakefield School. We will communicate with campers closer to the start date about what items they will need to bring to camp (family photos, etc.). Prior to camp, we will communicate with parents about establishing an account for your camper with Wordpress. Wakefield has worked out a specially discounted price so please do not secure a domain name on your own. (Part of the first lesson will be teaching the campers how to establish a domain name.) Each camper should bring a water bottle (with a cap) and a snack to camp. NOTE: Each camper must come to camp with a laptop -- cell phones and tablets will not be useful because the menus and screens are different on smaller screens.

Week 5

July 24 – July 28

9:00 am – 12:00 pm

Minecraft Camp

Instructor: Terry Lowry & John Painter

Rising 1 – Rising 6

Fee: \$225

Location: Wakefield School

Time: 9:00 am – 12:00 pm

Camp Description: Minecraft, a “sandbox” game by Mojang and is based on building blocks. Players traverse vast landscapes of mountains, forests, caves, and various water bodies. Their characters hunt, sail, and farm while constructing homes and objects by breaking and placing textured cubes in a 3D world. The goal is to survive, or simply invent. Most anything imaginable can be performed in Minecraft. Typically, students play Minecraft at home with little to no direction or goals in mind. At Wakefield School's Minecraft camp students will approach gameplay from a new angle. Campers will discover the underlying mechanics of the game, learning how to think critically about their work with the infinite possibilities of the game. Students will create themes, storylines, dialog between characters, objectives, goals, and more, while more experienced players will delve deeper into game design & development, modding, and level design. Campers should bring a water bottle and a snack.

Instructor Bio: Terry Lowry is the Director of Technology Integration and Curriculum Coordination at Wakefield School.

NOTE: Registration Ends on Friday, July 14

9:00 am – 4:00 pm

Rising 1 – Rising 8

Fee: \$260

Location: Wakefield School

Time: 9:00 am – 4:00 pm

Camp Description: Brooke will spend a week teaching your camper kitchen skills, food nutrition and enjoying cooking lessons. Campers will make their own aprons, learn about recipes and explore food and culture by tasting spices and international ingredients and by mapping the world of food. Campers will go off-site to visit a farm and a farmer's market and will bring back ingredients to cook with in class. There will also be on-campus activities in Wakefield's new greenhouse and senior garden. Campers will decorate pots and plant seeds to take home. Brooke will have an assistant with her for the program so that all ages can easily participate.

Instructor Bio: Brooke Robinson is a Wakefield graduate who is now a middle school food educator in New York City, where she is getting her master's degree.
